

ROLINE USB Type C Port Blocker, 1x lock and 1x key

Product No.	11.02.8333
Manufacturer	ROLINE
Manufacturer No.	11.02.8333
EAN (single piece)	7630049617599

Protect unused USB Type C sockets against unauthorized use. The mounting tool, which also serves as a key for the USB plugs, provides additional security.

- Reduces the risk of data leakage / theft and unauthorised uploads of software / malware
- Suitable for IT equipment in any office or public environment, like schools, museums, exhibitions or other places
- Causes no conflict with the existing IT structure
- Reduces the cost of maintenance and control of the IT equipment
- Blocks the access to a USB port physically
- Quick and simple to use
- Set with 1 lock and 1 key
- Optional - set of 10 pieces - only USB blocker without key, to be ordered separately
