

ROLINE DisplayPort v1.4 Cable (AOC), M/M, 50 m

| | |
|--------------------|---------------|
| Product No. | 14.01.3492 |
| Manufacturer | ROLINE |
| Manufacturer No. | 14.01.3492 |
| EAN (single piece) | 7611990151509 |

With our UHD (7680x4320 @60Hz) capable DisplayPort fiber optic cable you have the possibility to connect up to 50m between your devices. The active cable (AOC) does not require a separate power supply and is particularly suitable for installation in the cable duct due to its small diameter.

- Total length of the end device distance (e. g. from notebook/laptop to beamer or PC to monitor): 50 meters
- Hardware solution, no software required
- No external power supply required; the cable contains a copper fibre for power supply
- Small connector and cable dimensions; the cable has a smaller diameter than comparable cables made of pure copper due to the glass fibres.
- The practical plug design prevents the cable from slipping out of the DisplayPort socket.
- Compliant DP v1.4 (max. 7680 x 4320 @60Hz)

| Technical specifications | |
|--------------------------|-----------------------|
| Manufacturer | ROLINE |
| Product group | Audio / video cable |
| Product type | DisplayPort extension |
| Colour | black |
