

ROLINE Lockable RJ45 Plug with Key

Product No.	21.17.3067
Manufacturer	ROLINE
Manufacturer No.	21.17.3067
EAN (single piece)	7611990118410

Provides a cost effective solution to secure an exposed network jack by restricting access from an unauthorized user with an endpoint devices like network switches, routers and servers

- For blocking unused ports on a switch to prevent unauthorized access
- To prevent damage of an upgrade port on a wide range of devices
- Snaps securely into any industry-standard RJ45 port, physically restricting and blocking cord access to unauthorized users and to prevent tampering, such as the insertion of a foreign object into the jack

Technical specifications	
Manufacturer	ROLINE
Product group	Connection technology TP
Product type	Accessories
Colour	transparent
Quantity of ports	1
Material (casing)	plastic / metal shielding
Shield contacts	yes
Weight	7.5 g
Height of packaging (single piece)	20 mm

Width of packaging (single piece)	20 mm
Depth of packaging (single piece)	80 mm
Package weight (single piece)	0.05 kg
