ROLINE 19 inch network cabinet Basic 22 U 800x800 WxD glass door grey

The network cabinets in the ROLINE Basic series were developed to enable simple and particularly cost-efficient network expansion. Strategically placed cable inlets ensure effortless installation depending on the application. The cable inlet is located in the base chassis, protected by a screwed cover plate and positioned in the rear centre area. For enclosures from 800 mm width, additional cable inlets with plastic covers are added on the left and right. These are also integrated in the roof (once for 600 mm enclosure width, three times for 800 mm enclosure width). The roof chassis also has a punched-out area for the installation of a fan module. Two pairs of galvanised 19" profile rails are installed inside, which can be read in both directions and can be adjusted in depth. They are also connected to additional depth struts in the enclosure. Each cabinet consists of a robust steel construction with a material thickness of up to 1.5 mm sheet steel.

The colouring is done using electrostatic powder coating in the standard colours grey (RAL 7035) and black (RAL 9005). Removable side and rear panels as well as a lockable and removable front door improve accessibility. It is possible to change the door hinge. Thanks to their demountable design, the cabinets can also be completely dismantled if required.

Technical specifications		
Manufacturer	ROLINE	
Product group	19"-/10"-Cabinet	
Product type	19"-Floor cabinet	

Scope of delivery 19-inch network enclosure Basic 22 U, earthing cable set, installation set (screws, cage nuts, washers), 2x spanners, instructions Type of profile rail L-shaped Modular spacing 482.6 mm (19 inch) Model With permanent frame Height units 22 U Minimum rack depth supported Maximum rack depth supported Maximum rack depth supported Material group Steel Material front door Glass Wall mountable no Demountable yes Adjustable feets yes Maximum weight capacity Protection class (IP Code) Soundproof no Number of doors 1 With front door yes With placed door yes Front Glass door Rack rails yes Roof not removable (fixed) Side panels included	Colour	grey
